Eso crafting guide enchanting

As with most things, they come in different levels (quality). You can enchant your items from glyphs that you come across, but why not make your own and determine exactly what you want to increase? You can also purchase glyphs for ESO gold. To effectively enchant, you will need to spend skill points in the enchanting skill tree. All you need to do after that is choose the rune you want (desired trait/ability) and combine them. So, keep this in mind early if you wish to focus on enchanting in your playthrough. Ã Â What is enchanting? 25 Potency Improvement (6) Allows use of Potency Runes which make glyphs for items up to CP 30+. Enchanting is the hardest skill to level up. Enchanting Level Translation Bonus 2 1060 5 1876 10 2646 15 3518 20 4610 25 5569 30 6762 35 7909 40 9310 45 11072 Please keep in mind that creating glyphs is not the best way to level. ¢ÂÂÂTranslating¢ÃÂÂ a rune means the first time you use the rune to make a glyph. 29 Aspect Extraction (3) Significantly increases the chances of extracting Runestones from glyphs. Aspect rune Ã Â¢ÂÂÂ These runes are gathered from red runestones and it¢ÂÂÂs their job to determine the quality outcome of the created glyph. 2 must-have skills that will help you in your enchanting adventure are a Keen eye and Hireling. 30 Potency Improvement (7) Allows use of Potency Runes which make glyphs for items up to CP 50+. 5 Potency Improvement (2) Allows use of Potency Runes which make glyphs for items of level 10-15+.
